

Bates Eco Striker Paper Dunnage Bag

Prevent Cargo Damage

With 40 years experience we know how to protect your goods in trucks, containers, ships and rail wagons.

Reliable Performance

Strong quality paper from FSC-certified suppliers. Water resistant and airtight. Made in Denmark.

Time & Cost Saving

Quick and safe installation.
Clean and cost effective.
Fast loading for shipper.
Fast unloading for receiver.

Fast & Simple Inflation

Operator friendly inflation using compressed air or portable battery inflator. Unique valve system, seals automatically after inflation.

Bates Eco Striker Paper Dunnage Bag

Eco Striker is a new generation of Bates Cargo-Pak paper airbags, equipped with the patented Striker valve based on venturi technology. This allows for very simple and fast inflation of the airbag. Eco Striker is available in four sizes and comes in handy box quantities and are easy to store.

Benefits and Features

- Maximizes Load Security**
 Filling the void by inflating the airbag, secures the goods during transport all the way from the sender to the receiver. The airbags can withstand up to 90% relative humidity (RH) at 60°C.
- Reduces Loading and Unloading Time**
 Placing the airbags is a very fast and time saving way of securing your goods before departure. And when unloading the goods the airbags are simply deflated by puncturing the airbag, or pushing down on the inner valve.
- Environmentally Friendly Materials**
 The paper is manufactured from FSC-certified suppliers. Foil and valve components are 100% recyclable and are in compliance with the European regulations for heavy metals.

Technical Specifications

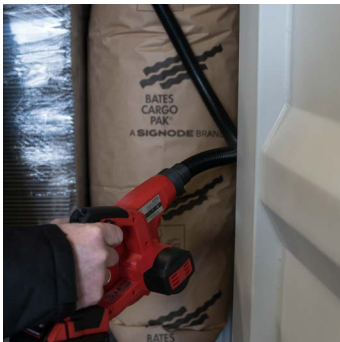

Size in cm		85x120	85x150	85x185	100x220
Load in tons in a gap of:	10cm	3.9	5.0	6.3	9.2
	20cm	1.9	2.5	3.2	5.2
	35cm	0.7	1.0	1.4	2.5
	45cm				1.0
Max gap in cm:		37	37	37	45

*All specifications are provided in metric tons

Packaging Specifications

Size in cm	85x120	85x150	85x185	100x220
Item Number	715235	715240	715250	715290
Pcs per Carton	50	50	40	30
Pcs per Pallet	400	400	320	240

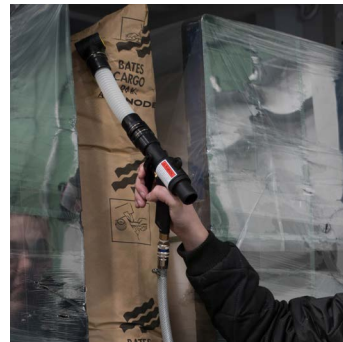

Inflation Equipment

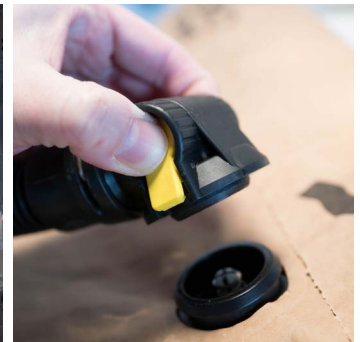

Portable battery inflator

Digital inflator

Manual inflator with slinky

Striker valve

Certified Manufacturing Plant

ISO 9001 Quality Management System

Produced using sustainable energy
